2.2 *Average percentage of seats filled against seats reserved for various categories as per applicable reservation policy during the last five years*

During admission procedure, we follow rules and regulations laid down by Savitribai Phule Pune University Pune, Government of Maharashtra and GOI. Data reveals that OBC students admitted for various courses are more in number than the seats reserved for them. Shrigonda tehsil is densely populated with OBC population, hence large number of students from OBC category applies for different courses. It appears that total numbers of OBC students admitted against reserved category are more than the seats earmarked for them. Number of SC, ST and General category students seeking admission for various courses are comparatively less hence their vacant seats are allotted and filled up with OBC students.
